Los Angeles, USA

We've tried a lot of trendy and not so trendy places in Los Angeles. And it is tough. There is a lot of waste of time in lousy places and then a lot of good-looking places that is rather boring when you get inside.

LaMill Coffee Bar

1636 Silver Lake Boulevard, Los Angeles

Some of the best coffee in the world, made on rare coffee machines. And they have a menu to go with the coffee, orchestrated by a Michelin chef. Fair prices, trendy place, wifi, free parking and sunshine on the front terrace most of the year. www.lamillcoffee.com
